BUILDING SAFTY CERTIFICATE

Construction of School Building at Aanpur Nawar, Teh.- Haldwani, Distt.- Nainital

1. Name of school - White Hall
2. Name of owner - 1)- Smt. Madhu Lal, 2)- Sh. Rajiv Lal

General

The owners of White Hall School at Lamachuar, Teh- Haldwani, Distt. Nainital, desired to have structural stability aspect of the building. The building was inspected on 06/05/2023. The building is a triple storey framed structure made in three blocks in a shape of cul-de-sec. The building has classrooms, toilets for boys and girls, administrative rooms etc and connected with a corridor in front of each floor. The plinth of building is kept at 90 cm. from natural ground level. This is important because the area has a tendency of flooding during monsoon.

The building was examined in detail from structural aspects. The reinforcement and the depth of foundation checked as per designs and drawings provided by owner. Columns reinforcement was exposed at roof and found to be as per design. Adequate slab thickness resting on beams are stable. No differential settlement was observed in beams and walls. The building is free from any seepage, leakage and minor cracks. Building is well maintained and fit to use.

Enclose- 1) Detail design of structural elements.

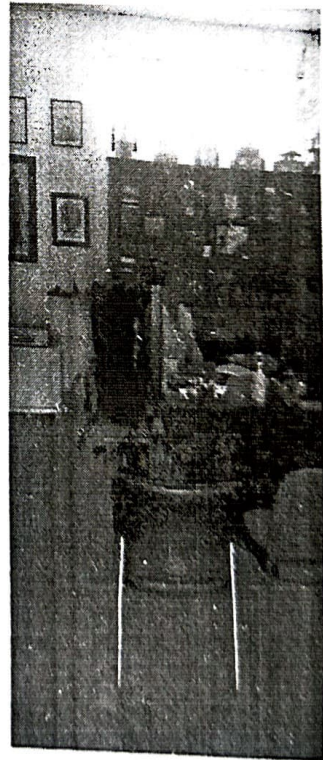

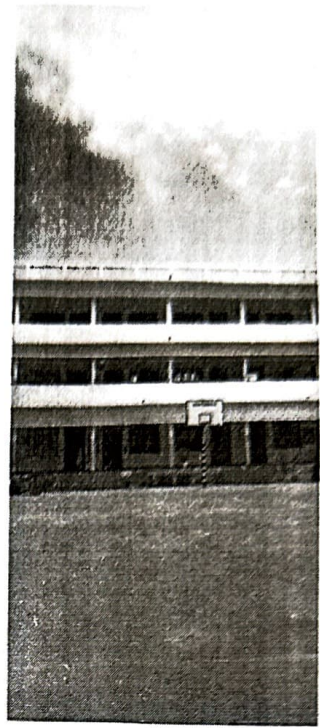

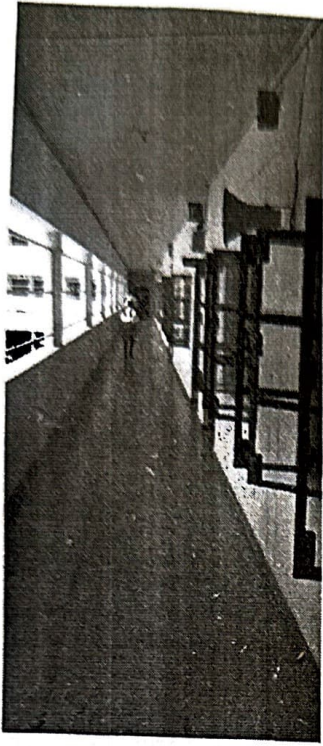

2) Photographs of building.
